

9th World Conference on Research Integrity

2nd – 6th May 2026

Vancouver, Canada

VANCOUVER

WORLD CONFERENCES
ON RESEARCH INTEGRITY

Attendees of the 2026 World Congress on Research Integrity, will gather on the traditional, ancestral and unceded territory of *the x^wməθk^wəy'əm (Musqueam), Skwxwú7mesh (Squamish), and səlilwətał (Tsleil-Waututh) peoples.*

PROPOSED THEMES

Conference Themes

- Indigenous voices, data sovereignty, and research integrity
- AI and shaping the future of ethical research practices

Possible sub-themes

- Clinical trials and research integrity
- Data sharing (including sensitive data) – as open as possible, as closed as necessary
- Declaration on Research Assessment
- Paper Mills
- Patient and public engagement and research integrity
- Research misconduct
- Research waste

Vancouver Statement

LEAVING A LEGACY

With sufficient funds at the conclusion of the 9th WCRI, the Conference Organizers will establish a legacy project to support initiatives that align research integrity with indigenous voices.

We look forward to welcoming you in 2026
